ISSUED THIS DATE: **October 10th, 2025**

TO PROSPECTIVE PROPOSERS:

The attention of all proposers is directed at the additions and modifications described in this Addendum which shall be considered as part of the Request for Proposal (RFQ). All proposers must acknowledge receipt of this Addendum in their SOQ cover letter. This addendum and documents are all posted on the district web site as well.

The following discussion ensued during the Pre Proposal Meeting on October 9th at 3:30 pm in Teams Meeting.

The following responses are in response to questions received via email as stated in the RFQ:

1. As both RFQs ask the same question in 6.6.6 Local Participation, I am asking the question for both projects:
Can SBLSD please define what you define as a “local firm?” Is this defined by county, city, or other determining factor?

Answer: 6.6.6 Local Firm Participation – SBLSD encourages the use of locally owned firms as a way to better support and engage our community. Provide your firm’s approach to ensure local firms have equitable opportunities to participate in the project including outreach and tracking methods.
